

Ballintuim Disability Access Statement

Ballintuim Leisure Park welcomes people with disabilities and has developed this Access Statement to address some of the common issues which disabled people may face. We are a pet friendly park and guide dogs are permitted throughout. We aim to ensure that all employees, guests and others who use the park and its facilities are treated equally and according to their needs.

Pre-arrival

For any help or assistance prior to arrival, we advise contacting our Reception or Sales team.

Access to the park

The entrance to the park has a steep winding road leading up to it, but once on park it levels out slightly.

Public areas

The park itself is on a small incline and the road is currently shingle, although soon to be tarmacked.

The area around the office is level and parking is directly outside the office. The office and launderette are part of the same building and have a small step up to gain entry.

Accommodation

Most of our holiday homes for sale are accessed via 2 or 3 tread steps, so if you are looking to visit please let us know in advance so we can address a means of access. Some holiday homes are specifically manufactured with wheelchair access in mind, and we can discuss these with you.

We use a decking supplier who also manufactures access ramps, therefore if you are considering becoming an owner, we will work with you to create suitable purpose-built access for you.

Local area

The nearest village is Kirkmichael which is approximately 4 miles away, this has a village store and a hotel which are accessible for wheelchairs and motorised scooters. The nearest town is Blairgowrie and it is situated 8 miles away where most shops, bars and restaurants are accessible for wheelchairs and motorised scooters.
